Be part of the next generation shaping Australia's future industries

UEE22025 Certificate II in Electrotechnology (Career Start)

Step into a future powered by innovation. This hands-on, entry-level course gives you the skills, confidence and industry insight to launch a career in electrotechnology, engineering or advanced manufacturing.

Whether your goal is to become an electrician or explore autonomous technologies and emerging industries, this course is your first step toward a rewarding, in-demand career.

The FemTech project

This exclusive cohort is part of the national FemTech initiative, led by Professionals Australia and supported by $4.9 million through the Australian Government's Building Women's Careers Program.

TAFE Queensland is proud to deliver this nationally significant program, helping more women and gender-diverse students explore careers in technology, engineering and advanced manufacturing.

By improving access to future-focused skills for women and gender-diverse learners, the initiative contributes to both workforce diversity and Australia's long-term capability in advanced manufacturing.

Who can apply?

The FemTech initiative is available to students who are female, non-binary or gender diverse.

Places are limited, so be ready!
Applications open Monday, 02 November 2026.

Course details

Course	UEE22025 Certificate II in Electrotechnology (Career Start)
Campus	Eagle Farm
Start date	Term 1, 2027
Duration	4 terms
Study mode	on campus
Workload	1 day per week and two weeks within the September school holidays
Year level	11 and 12
QCE credits	Up to 4 credits
Funding	VETiS Funded*

Career outcomes

- Electrical Trade Apprentice, Trade Assistant

Pathway opportunities

- Certificate II in Electrotechnology Electrician (UEE30820)
- Certificate III in Instrumentation and Control (UEE31220)
- Certificate III in Electronics and Communications (UEE30920)
- Certificate III in Air Conditioning and Refrigeration (UEE32225)
- Certificate III in Data and Voice Communications (UEE30420)
- Certificate III in Air Conditioning and Refrigeration (UEE32225)
- Diploma of Applied Technologies (MEM50822)
