INTERNATIONAL STUDY GUIDE

Our intensive English language courses will set you on the path to reaching the English language level you need to advance your studies.

Our teachers hold university-level qualifications in teaching English to non-native speakers. They also participate in regular professional development to ensure they are up to date with curriculum, technology, and the latest teaching strategies.

With an average class size of 15 you'll receive individualised support and attention and have your progress closely monitored through weekly tests, evaluation, and feedback.

Our English language courses provide direct access pathways into our certificate and diploma courses at TAFE Queensland. Additionally, all course levels equate with the Common European Framework (CEF), ensuring your English language results are internationally recognised.
