

TAFE QUEENSLAND

Health and science

INTERNATIONAL STUDY GUIDE

Help everyday people with their health and fitness needs with a career in nursing, allied health, dental, laboratory science, or sport and fitness.

Whether you're just starting out, want to upskill, or are looking to make a change, follow your passion for helping others with a career in health and sciences. At TAFE Queensland we offer practical, hands-on training that develops the skills you need to make a difference as a nurse, a health care worker, personal trainer, and more.
